

**DON'T BRING HOME UNWANTED
MICRO GAMES SOUVENIRS -
PREVENT SEXUALLY
TRANSMITTED INFECTIONS (STIS)**

CONDOMS...

- *Reduce your risk of both pregnancy and STIs
- *Work when used correctly and must be used every time you have sex (including oral sex)
- *Do not guarantee 100% protection as they can break, slip, or leak; abstinence holds the best guarantee
- *Are safer to use in case you or your partner may not know you have an STI

FREE CONDOMS AVAILABLE AT:

All Wa'ab Community Health Center sites, the COM-FSM Yap campus infirmary, the Yap Sports Complex medical building, and Public Health at the Yap State Hospital.
