6. Eligibility

In order to be eligible to compete at the Micronesian Games, an athlete must comply with one of the following criteria:

(1) The athlete must have been born in any state, country, or territory which is a member of the Micronesian Games Council -- that is, Palau, Guam, the CNMI, Yap, Chuuk, Pohnpei, Kosrae, the Marshall Islands, Nauru, or Kiribati -- and must have lived in any of those states, countries, or territories for a period of (5) five years up to and including the start of the Games; OR

(2) The athlete must be the child of at least one parent, or two grandparents, who were born in any state, country, or territory which is a member of the Micronesian Games Council (see above), without regard to residence; OR

(3) The athlete must have resided in any state, country, or territory which is a member of the Micronesian Games Council (see above) for a period of (5) five years up to and including the start of the Games, AND, resides in the state, country, or territory for which the athlete will compete, as of the start of the Games, without regard to ancestry.

The temporary absence of an athlete from the territory of a member of the Micronesian Games Council for purposes such as education, sports, training, military service, and health care, or other legitimate absences of a similar kind, are not considered as interrupting a previously-established residency.

In addition, athletes must:

(a) Complete all necessary entry and participation forms;

(b) Not be currently under disqualification or suspension by any relevant authority;

(c) Comply with all relevant rules and regulations of the Micronesian Games Council, the MGC Constitution, and the World Anti-Doping Code.

It is the responsibility of each participating state, country, or territory to ensure that all competitors comply with these requirements.

These requirements apply only to athletes. There are no eligibility requirements for coaches or technical officials.

Entries by name must be submitted at least 30 days prior to the start of the Games. Late entries will not be accepted. At the close of entries, the Yap Organizing Committee will communicate a list of all named competitors to each competing state, country, or territory. Each competing state, country, or territory will have ten days to challenge the eligibility of a competitor. A \$50 bond is required for each challenge. The bond is refundable if the challenge is successful, but is forfeited if the challenge is unsuccessful.

The burden of proof of eligibility is on the sponsoring state, country, or territory, rather than the challenging state, country, or territory. In the event of a challenge, the sponsoring state, country, or territory must submit documents proving eligibility.

Challenges to athlete eligibility are made to the Micronesia Games Council Executive Board, not to the Yap Organizing Committee, which will refer them for decision by a Disputes Tribunal, consisting of three persons appointed by the Micronesia Games Council Executive Board. All challenges to eligibility shall be decided at least 10 days prior to the start of the Games. The decisions of the Disputes Tribunal are final and may not be appealed.

A state, country, or territory whose athlete is successfully challenged and is deemed ineligible to compete will be liable for a penalty in the amount of \$100. Failure to pay the penalty means that the state, country, or territory will not be allowed to compete in the sport in which the ineligible athlete was registered.

The contents of this section are a summary of the relevant provisions of the Micronesia Games Council Constitution. While every attempt has been made to assure the accuracy of this summary, in the event of any inconsistencies between this summary and the provisions of the Micronesia Games Council Constitution, the provisions of the Constitution shall be controlling.

7. Participation

- 7.1 The tournaments will be conducted with (10) ten men's and (9) nine women's teams. Each island may enter only one team in the men's tournament and one team in the women's tournament.

The top four teams will advance to the medal playoffs, with the first-place team playing the fourth-place team, the second-place team playing the third-place team, the losers playing for the bronze medal, and the winners playing for the gold and silver medals.
- 7.3 THE FORMAT OF THE TOURNAMENTS IS LARGELY DICTATED BY THE NUMBER OF TEAMS WHICH THE MEMBER ISLANDS HAVE INDICATED THAT THEY WILL ENTER. IF THERE IS A DIFFERENT NUMBER OF TEAMS WHICH APPEAR FOR THE COMPETITION, IT WILL BE NECESSARY TO REVISE THE COMPETITION SCHEDULE. IF THERE ARE EIGHT OR MORE TEAMS IN THE MEN'S OR WOMEN'S TOURNAMENT, THE TOURNAMENT WILL BE CONDUCTED AS POOL PLAY, WITH ADDITIONAL CROSSOVERS ADDED AT THE END TO ASSURE THE MAXIMUM NUMBER OF GAMES WHICH CAN REASONABLY BE SCHEDULED.
- 7.4 A team will be comprised of a maximum of 12 accredited players and two coaches, who must be confirmed at the Basketball Technical Committee meeting on the appropriate form.
